A close-up photograph of a weathered wooden plank. The plank is dark and shows signs of decay, with some areas appearing charred or stained. A rectangular warning sign is mounted on the plank. The sign has a white background and a dark border. The word "Caution" is written in a large, purple, serif font. Below it, the words "Do not sit" are written in a smaller, black, sans-serif font. The background of the image is a light-colored, pebbly surface, possibly a beach or a rocky shore.
